

Gainful Employment Disclosures – 2019

Dental Hygiene – Associate of Applied Science

This program is designed to be completed in 20 months.

This program will cost \$58,750 if completed within normal time. There may be additional costs for living expenses. These costs were accurate at the time of posting, but may have changed. *Includes estimates for books, supplies and equipment.*

This is a new program for the 2017/18 period. Please check other associate degrees of comparable time to completion for median debt results.

This program meets licensure requirements in all 50 states. The program qualifies students to sit for licensure exams in all 50 states.
