

Gainful Employment Disclosures – 2019

Health Information Technology – Associate of Applied Science

This program is designed to be completed in 20 months.

This program will cost \$39,875 if completed within normal time. There may be additional costs for living expenses. These costs were accurate at the time of posting, but may have changed. *Includes estimates for books, supplies and equipment.*

Of the students who completed this program within normal time, the typical graduate leaves with \$15,700 of debt.

The metropolitan statistical area (MSA) in which the college is located (New York, New Jersey, and Connecticut) does not have licensure requirements for this profession. However, this program qualifies students to take the following optional National Certifying Exam: Registered Health Information Technician (RHIT).
