2023

[Abstract](#)

The federal Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act) requires colleges and universities, both public and private, participating in federal student aid programs to disclose campus safety information, and imposes certain basic requirements for handling incidents of sexual violence and emergency situations. Disclosures about crime statistics and summaries of security policies are made once a year in this Annual Security Report (ASR), and information

Plaza College Security Report 2023

INTRODUCTION

Plaza College is justifiably proud of its record in maintaining the safety of our community, as shown in the enclosed federal ly reported crime statistics. The College’s design of the campus supports security with a single, dedicated entrance and safety officers prominently stationed to control access to the campus. Persons coming to campus must present ID and sign in either in writing or electronically. The new campus is a compact institution with a strong administrative presence. As a College with a transitory commuter population, serious crime has not been an issue at Plaza. Our building has heightened security because of the presence of offices for federal, state, and city legislators, which includes camera surveillance of the building front by the NYPD. With the Queens Courthouse and District Attorney’s office within blocks of the College, the safety of our neighborhood benefits with the presence of FEMA, the FBI, the Treasury Department, and Secret Service.

Institutional Research drafts this report for the Advisory Committee on Campus Security based upon statistics compiled annually by the Office of the President, and the Dean of Academic Affairs. The NYPD is asked to provide statistics regarding crimes in and around campus compiled by the police.

REPORTING A SEX OFFENSE (NYS 129-b 6444)

All College employees (faculty, staff, administrators) are expected to immediately report actual or suspected discrimination or harassment to appropriate officials, though there are some limited exceptions. In making informed choices, it is important to be aware of confidentiality and mandatory reporting requirements when consulting campus resources. On campus, some resources may maintain confidentiality – meaning they are not required to report actual or suspected discrimination or harassment to appropriate College officials - thereby offering options and advice without any obligation to inform an outside agency or individual unless a victim has requested information to be shared. Other resources exist for a victim to report crimes and policy violations, and these resources will take action after an incident report. The following describes the two reporting options at the College:

Confidential Reporting

If a reporting individual would like the details of an incident to be kept confidential, the reporting individual may speak with the College's Chief Operating Officer (COO). The COO will maintain confidentiality except in extreme cases of immediate threat or danger, or abuse of a minor.

Formal Reporting

All college employees have a duty to report unless they fall under the "Confidential Reporting" section above. Reporting individuals may want to consider carefully whether they share personally identifiable details with non-confidential employees, as those details must be shared by the employee with the Title IX Coordinator and/or Deputy Coordinators. Employees must share all the details of the reports they receive. Generally, climate surveys, classroom writing assignments, human subjects research, or events such as Take Back the Night marches or speak-outs do not provide notice that must be reported to the Coordinator by employees. Remedial actions may result without formal college action.

If a victim does not wish for her/his name to be shared, does not wish for an investigation to take place, or does not want a formal resolution to be pursued, the victim may make such a request to the Title IX Coordinator or Deputy Coordinators, who will evaluate that request in light of the duty to ensure the safety of the campus and comply with federal law. In cases indicating pattern, predation, threat, weapons and/or violence, the College will likely be unable to honor a request for confidentiality. In cases where the victim requests confidentiality and the circumstances allow the College to honor that request, the College will offer interim supports and remedies to the victim and the community but will not otherwise pursue formal action. A reporting party individual has the right, and can expect, to have reports taken seriously by the College when formally reported, and to have those incidents investigated and properly resolved through these procedures.

Formal reporting still affords privacy to the reporting individual, and only a small group of officials who need to know will be told, including but not limited to: information will be shared as necessary with investigators, witnesses, and the responding party. The circle of people with this knowledge will be kept as tight as possible to preserve a reporting party's rights and privacy.

Even college offices and employees who cannot guarantee confidentiality will maintain privacy to the greatest extent possible. The information provided to a non-confidential resource will be relayed only as necessary for the Title IX Coordinator to investigate and/or seek a resolution.

Reports to the Title IX Coordinator can be made via email, phone, or in-person at the contact information below:

Name: Dean Kalliopi Koutsoutis
Title: Title IX Coordinator
Director of Strategic Planning
Location: Admissions

Phone: (718) 779-1430, ext.7177
Email: kkoutsoutis@plazacollege.edu

Failure of a non-confidential employee, as described in this section, to report an incident or incidents of sex or gender harassment or discrimination of which they become aware, is a violation of college policy and can be subject to disciplinary action for failure to comply with college policies.

SEXUAL ASSAULT RESPONSE TEAM [NYS 129-b 6444 (1.b.)]

The Sexual Assault Response Team is called in after any report of sexual assault. This team is made up of the following individuals:

Provost Charles Callahan (cec4@plazacollege.edu)
Dean Kalliopi Koutsoutis (kkoutsoutis@plazacollege.edu)
Dean Laura March (lmarch@plazacollege.edu)
Dean Correne Cavalieri (ccavalieri@plazacollege.edu)
Dean Dawn Vetrano (dvetrano@plazacollege.edu)
Dean Caroline Callahan (cmc@plazacollege.edu)
Director Candace Nixon (cnixon@plazacollege.edu)

Campus administrators are available to help free of charge and can be seen on an emergency basis during normal business hours. These employees will submit annual anonymous, aggregated statistical information for Clery Act purposes unless they believe it would be harmful to a specific client, patient, or parishioner.

PLAZA COLLEGE RESPONSE TO REPORTS OF SEXUAL ASSAULT (NYS 129b 6444 (1) (a-i))

All reporting individuals have these rights. Institutions shall provide these rights consistent with the provisions under the federal Clery Act, 20 U.S.C. 1092 (f)(8)(B)(iii)(III)(aa)-(cc) that require institutions to provide students with three options:

- “(aa) notify proper law enforcement authorities, including on-campus and local police;
- (bb) be assisted by campus authorities in notifying law enforcement authorities if the victim so chooses; and
- (cc) decline to notify such authorities.”

For more details, see Plaza College Policy on Sex/Gender Harassment, Discrimination, and Misconduct.

Under New York State Education Law 129-b, all reporting individuals have the right to:

- a. Notify local law enforcement, and/or state police;
- b. Have emergency access to a Title IX Coordinator or other appropriate official trained in interviewing victims of sexual assault who shall be available upon the first instance of disclosure by a reporting individual to provide information regarding options to proceed, and, where applicable, the importance of preserving evidence and obtaining a sexual assault forensic examination as soon as possible, and detailing that the criminal justice process utilizes different standards of proof and evidence and that any questions about whether a specific incident violated the penal law should be addressed to law enforcement or the district attorney. Such official shall also explain whether he or she is authorized to offer the reporting individual confidentiality or privacy, and shall inform the reporting individual of other reporting options;
- c. Disclose the incident confidentially to institution representatives, who may offer confidentiality pursuant to applicable laws and can assist in obtaining services for reporting individuals;
- d. Disclose the incident confidentially and obtain services from the state or local government;
- e. Disclose the incident to institution representatives who can offer privacy or confidentiality, as appropriate, and can assist in obtaining resources for reporting individuals;
- f. File a report of sexual assault, domestic violence, dating violence, and/or stalking and the right to consult the Title IX Coordinator and other appropriate institution representatives for information and assistance. Reports shall be investigated in accordance with institution policy, and a reporting individual’s identity shall remain private at all times if said reporting individual wishes to maintain privacy;
- g. Disclose, if the accused is an employee of the institution, the incident to the institution’s human resources authority or the right to request that a confidential or private employee assist in reporting to the appropriate human resources authority;
- h. Receive assistance from appropriate institution representatives in initiating legal proceedings in family court or civil court; and
- i. Withdraw a complaint or involvement from the institution process at any time.

Bill of Rights (NYS 129-b 6443)

All students have the right to:

1. Make a report to local law enforcement and/or state police;
2. Have disclosures of domestic violence, dating violence, stalking, and sexual assault treated seriously;
3. Make a decision about whether or not to disclose a crime or violation and participate in the conduct process and/or criminal justice process free from pressure by Plaza;
4. Participate in a process that is fair, impartial, and provides adequate notice and a meaningful opportunity to be heard;

5. Be treated with dignity and to receive from Plaza College courteous, fair, and respectful health care and counseling services, where available;
6. Be free from any suggestion that the reporting individual is at fault when these crimes and violations are committed, or should have acted in a different manner to avoid such crimes or violations;
7. Describe the incident to as few College representatives as practicable and not be required to repeat a description of the incident unnecessarily;
8. Be protected from retaliation by Plaza College, any student, the accused and/or the respondent, and/or their friends, family, and acquaintances within the jurisdiction of Plaza College;
9. Access to at least one level of appeal of a determination;
10. Be accompanied by an advisor of choice who may assist and advise a reporting individual, accused, or respondent throughout the conduct process including during all meetings and hearings related to such process; and
11. Exercise civil rights and practice of religion without interference by the investigative, criminal justice, or judicial or conduct process of Plaza College

Right to Report (New York State Education Law 129-b (6444) (2))

You have the right to make a report to the NYPD, and/or state police or choose not to report; to report the incident to Plaza College; to be protected by Plaza College from retaliation for reporting an incident, and to receive assistance and resources from Plaza College.

Accommodations

Any individual who has been the victim of sexual misconduct may request assistance in changing academic, living, transportation, and working situations, as applicable. These interim measures may also include issuance of a No Contact Order, changes in academic, extracurricular, housing, dining, employment, transportation, or other applicable arrangements.

Requests for accommodations in connection with incidents of sexual misconduct should be made in writing to the College's Title IX Coordinator. The College will grant such accommodations, provided they are reasonable and available, regardless of whether the complainant chooses to report the crime to law enforcement. When taking such interim measures and/or steps to separate the complainant and the respondent, the College will, to the extent practical, minimize the burden on the complainant. The College will provide information about the request for accommodations only to those having a need to know such information in order to implement the accommodations.

The respondent and/or the complainant will, upon request, be afforded a prompt review, reasonable under the circumstances, of the need for and terms of an interim measure, including potential modification. The respondent and/or complainant will be allowed to submit evidence in support of his or her request. Violation(s) of the Title IX Coordinator's directives and/or protective actions will constitute related offenses that may lead to additional disciplinary action.

CONDUCT HEARINGS INVOLVING SEXUAL ASSAULT, DOMESTIC VIOLENCE, DATING VIOLENCE, STALKING, OR SEXUAL ACTIVITY (NYS 129b 6444 (5))

INITIATION OF A FORMAL COMPLAINT

A report of Sexual and Gender-Based Misconduct becomes a formal Complaint in one of the following ways:

1. An alleged victim may file a written Complaint with the College or a Third Party may file a written Complaint on his or her behalf. An alleged victim may submit a written statement in his or her own words to the Title IX Coordinator providing sufficient information for the College to investigate the allegations contained therein;
2. An alleged victim can meet in person with the Title IX Coordinator, Deputy Title IX Coordinator(s) or another designated Responsible Employee to report alleged Sexual or Gender-Based Misconduct. Reports made to a Responsible Employee will be referred to the Title IX Coordinator, who will ask the alleged victim to submit a written statement in his or her own words.

3. Pursuant to Title IX, the College has an obligation to address all incidents of Sexual and Gender-Based Misconduct of which it becomes aware. If the Title IX Coordinator decides to proceed with a formal Complaint under these circumstances, a college administrator will serve as the “Complainant.”

Once a formal Complaint is initiated, an alleged victim will be referred to as a “Complainant” and an alleged perpetrator will be referred to as a “Respondent.”

INTERIM PROTECTIVE AND DISCIPLINARY MEASURES

Once a Complaint has been initiated, the Title IX Coordinator, in consultation with the appropriate Deputy Title IX Coordinator(s) and other appropriate administrators as necessary, will determine whether any Interim Measures and Interim Disciplinary Sanctions are needed, and assess the parties’ requests for Interim Measures, to support the Complainant and Respondent and to protect the campus community.

Examples of Interim Measures

The Title IX Coordinator may implement one or more of the following Interim Measures if appropriate and/or reasonably available. Interim Measures are available even if a party chooses not to report an offense to local law enforcement:

- Issuing of mutual “no-contact” orders to prevent any contact between the Complainant, the Respondent, witnesses, and/or third parties. If the Respondent is a student, the Title IX Coordinator will issue a “no contact” order to the Respondent. Continued intentional contact with the Complainant is a violation of this policy and may result in additional conduct charges. Both the Complainant and Respondent may request review of the “no contact” order and explain why they think that the order should be modified;
- Providing the Complainant an escort to ensure that he or she can move safely between classes, work, and/or activities; ○ Changing a Complainant’s or a Respondent’s on-campus housing, if any, to a different room and/or floor and providing assistance from college support staff in completing the relocation; ○ Rescheduling classwork, assignments, and examinations; ○ Changing work arrangements or schedules;
- Providing academic support services such as: alternative course completion options, dropping a course without penalty in some cases, or transferring to a different class section (with the agreement of the appropriate faculty);
- Limiting access to college facilities or activities, including participating in collegiate sports, pending resolution of the matter. Temporary (interim) suspension/removal from campus.

Note: Failure to comply with the terms of Interim Measures may be considered a separate violation of this Policy.

The specific Interim Measures will vary depending on the facts of each case. The Title IX Coordinator will consider a number of factors in determining what Interim Measures to take, including, for example, the specific needs expressed by the Complainant and Respondent; the age of the parties involved; the severity of the allegations; whether the allegations were part of a pattern of conduct; whether a weapon was involved; whether the Complainant and Respondent share the same residence hall, dining hall, class, transportation, or job location; and whether other judicial measures have been taken to protect the Complainant and Respondent (e.g., civil protection orders).

Throughout the College’s investigation and resolution process, the Title IX Coordinator will periodically check with the Complainant and Respondent to ensure interim measures are effective and, if not, identify alternatives.

INITIAL MEETINGS

Meeting with the Complainant

The Title IX Coordinator or deputy will contact the Complainant in writing to schedule an initial meeting. (If the person who reported the alleged Sexual or Gender-Based Misconduct is a Third- Party Reporter, the Title IX Coordinator will attempt to meet with him or her as soon as possible to gather information.) At this initial meeting, the Title IX Coordinator or deputy will, as applicable:

- Provide the Complainant a copy of this Policy, and review his or her rights under the Policy; ○ Provide the Complainant information about on and off-campus resources, such as the Office of Counseling and

Wellness; ○ Explain the avenues for formal and, if applicable, informal resolution of the Complaint; ○

Explain the steps involved in a Formal Title IX investigation;

- Advise the Complainant that he or she may have an advisor of his or her choice present throughout the Title IX investigation and resolution process. The advisor may be an attorney, retained at the Complainant's own expense. Any advisor will function as a silent observer in any meeting or proceeding related to the investigation or resolution process. If the Complainant is a member of the Plaza College community and does not have an advisor, the College will provide him or her with a list of faculty or staff who have volunteered to act as an advisor to parties involved in the Title IX investigative and resolution process; ○ Discuss confidentiality standards and concerns;
- Discuss the importance of preserving relevant evidence or documentation in the case (e.g., texts, emails, notes, photographs (etc.)); ○ Discuss protection from, and reporting of, Retaliation and Intimidation; and
- Discuss with the Complainant, as appropriate, possible Interim Measures that can be provided to him or her during the pendency of the investigative and resolution processes. (If Interim Protective Measures have already been implemented, the Title IX Coordinator will evaluate whether they should continue to be provided and whether other Interim Measures should also be implemented.) The College may implement such measures regardless of whether a formal Complaint has been filed (with either campus officials or law enforcement agencies) or whether an investigation has commenced (by either campus officials or law enforcement agencies). These Interim Measures may include the protective measures listed in paragraph B.1 above.
- The Title IX Coordinator will promptly inform the Complainant (no later than it is communicated to the Respondent) of the imposition of any Interim Measures and, to the extent that it affects him or her, the Respondent.

Meeting with Respondent

If the Complainant wishes to pursue resolution through the College or if the College otherwise deems that further investigation is warranted, the Title IX Coordinator will contact the Respondent in writing to schedule an initial meeting.

During the initial meeting with the Respondent, the Title IX Coordinator will, as applicable:

- Provide the Respondent, in writing notice of charges, information consistent with state and federal privacy laws and, if applicable, the alleged victim's request for confidentiality, that is sufficient to allow him or her to respond to the substance of the allegation, including, if possible, the name of the Complainant and the date, location, and nature of the alleged Sexual or Gender-Based Misconduct; ○ Provide the Respondent a copy of this Policy, including a review of his or her rights under the Policy; ○ Explain the College's procedures for resolution of the Complaint; ○ Explain the steps involved in a Formal Title IX investigation;
- Advise the Respondent that he or she may have an advisor of his or her choice present throughout the Title IX investigation and resolution process. The advisor may be an attorney, retained at the Respondent's own expense. Any advisor will function as a silent observer in any meeting or proceeding related to the investigation or resolution process. If the Respondent is a member of the Plaza College community and does not have an advisor, the College will provide the Respondent with a list of faculty or staff who have volunteered to act as an advisor to parties involved in the Title IX investigative and resolution process; ○ Discuss confidentiality standards and concerns with the Respondent; ○ Discuss non-Retaliation and Intimidation requirements with the Respondent;
- Inform the Respondent of any Interim Measures to be provided to the Complainant that directly affect the Respondent (e.g., changing the Respondent's class schedule, or moving the Respondent to an alternate residence hall); ○ Discuss the importance of preserving relevant evidence or documentation in the case (e.g., texts, emails, notes, photographs (etc.)); ○ Refer the Respondent to other resources, as appropriate; and

- Discuss with the Respondent, as appropriate, possible Interim Measures that can be provided to the Respondent during the pendency of the investigative and resolution processes. The College may implement such measures if requested and/or appropriate, and reasonably available, whether a formal Complaint has been filed (with either campus officials or law enforcement agencies) or whether an investigation has commenced (by either campus officials or law enforcement agencies). Such determination will promptly be communicated to the Respondent (no later than it is communicated to the Complainant) and, to the extent that it affects him or her, the Complainant.

TITLE IX COORDINATOR'S INITIAL ASSESSMENT

After meeting with the Complainant and the Respondent, the Title IX Coordinator will make a determination as to whether (a) a Formal Title IX Investigation is warranted to resolve the case; (b) the case can possibly be resolved through Informal Resolution; or (c) there is insufficient evidence to pursue charges of alleged Sexual or Gender-Based Misconduct.

In the event that the Title IX Coordinator determines there insufficient evidence to pursue charges of the alleged Sexual or Gender-Based Misconduct as defined by this Policy, the Title IX Coordinator will determine (in separate consultation with the Complainant, the Respondent, and other college administrators) and document the appropriate resolution of the Complaint, will promptly notify the parties of the resolution and will close the Complaint. Either party may appeal the Title IX Coordinator's decision according to the procedures for appeal below.

INFORMAL RESOLUTION

In appropriate instances where it is deemed possible and safe, the Title IX Coordinator may choose to attempt to resolve certain Complaints of Sexual and Gender-Based Misconduct through Informal Resolution means. If, based on the facts of the case, it is determined that an Informal Resolution may be appropriate, the Title IX Coordinator will discuss this option with the Complainant during the initial meeting. If the Complainant agrees, the Title IX Coordinator will discuss Informal Resolution with the Respondent during the initial meeting. Consent from both parties is required to proceed further in the Informal Resolution process.

The College will not use the Informal Resolution process to address complaints of Sexual Assault, Dating Violence, Domestic Violence, Stalking or any matters involving physical touching or violence of any kind, as well as other cases of serious violations of the Sexual and Gender-Based Misconduct Policy as determined by the Title IX Coordinator.

It is not necessary to pursue Informal Resolution first in order to make a Formal Resolution Complaint. Moreover, either party may terminate the Informal Resolution process at any time and proceed with Formal Resolution. The Title IX Coordinator may also terminate Informal Resolution at any time and order that the parties proceed with Formal Resolution instead. In such cases, statements or disclosures made by the parties in the course of the Informal Resolution process may be considered in the subsequent Formal Resolution proceedings.

If Informal Resolution is determined to be appropriate and the parties agree to proceed, the Title IX Coordinator or a trained designee will meet separately with both parties to present and discuss a resolution based on the information available. If both the Complainant and Respondent are satisfied with a proposed resolution and the Title IX Coordinator believes the resolution satisfies the College's obligation to provide a safe and non-discriminatory environment for the entire college community, the resolution will be implemented, and the matter will be closed. If these efforts are unsuccessful, the Formal Resolution process will commence.

FORMAL TITLE IX INVESTIGATION AND RESOLUTION PROCEDURES

If the Title IX Coordinator determines that a Formal Resolution is warranted to resolve the Complaint or Informal Resolution efforts are not successful, the Title IX Coordinator will refer the matter for Formal Resolution, which includes a thorough and Prompt Investigation and provides for a fair and impartial evaluation and resolution.

Formal Resolution Procedures for Sexual or Gender-Based Misconduct Complaints

Assignment of an Investigator

If the Title IX Coordinator determines that a Formal Title IX Investigation is warranted to resolve a Complaint of Sexual or Gender-Based Misconduct or Informal Resolution efforts were not successful, the Title IX Coordinator will appoint an investigator or an investigative team ("investigator") who has specific training and experience investigating allegations of Sexual and Gender-Based Misconduct. The Title IX Coordinator will notify both the Complainant and the Respondent in writing of the Formal Title IX Investigation and the name of the investigator(s). The investigator(s) may be an employee(s) of the College or an external investigator(s) engaged to assist the College in its fact gathering.

The Respondent and the Complainant may protest the appointment of the investigator(s) by identifying a possible conflict of interest in writing to the Title IX Coordinator within twenty-four (24) hours after the appointment of the Investigator(s). The Title IX Coordinator will carefully consider such statements and will assign a different investigator(s) if it is determined that a material conflict of interest exists.

The Investigator's Activities

The Title IX investigation will be conducted in a manner appropriate in light of the circumstances of the case. The formal investigation may include, but is not limited to, conducting interviews of the Complainant, the Respondent(s), and any witnesses (witnesses must have observed the acts in question or have information relevant to the incident and cannot be participating solely to speak about an individual's character); reviewing law enforcement investigation documents, if applicable; reviewing student and personnel files; and gathering, examining, and preserving other relevant documents and physical, written (including medical records), and electronic evidence (including social media, security camera footage, etc.). The parties will have an equal opportunity to present relevant witnesses and evidence to the investigator, as well as identify witnesses who may have relevant information. Moreover, both the Complainant and Respondent(s) may have an advisor accompany (but not actively participate) him or her through the investigation process.

The investigation will be discreet and only disclosed only to those who "need to know." In cases where the Complainant, Respondent, and witnesses are students, the College will take reasonable care to protect the students' privacy by using an assigned number in incident reports and in publicly available recordkeeping.

The Investigator's Report

The Investigator will complete, generally within 30 days after the investigation begins, a preliminary written report that is a neutral summary of the facts.

The Complainant and Respondent will be given the opportunity to review the Investigator's Report. Consistent with FERPA or safety concerns, identifying information about a party or third parties may be redacted at the discretion of the Title IX Coordinator. A Complainant and Respondent may request an opportunity to submit any additional comments or evidence to the investigator within five (5) business days of the opportunity to review the report.

Adjudication

Upon receipt of any additional information by the Complainant or Respondent, if any, or after the five

(5) day comment period has lapsed without comment, the investigator(s), in consultation with the Title IX Coordinator, will issue a final Report to the Hearing Officer who will review the Investigative Report and make a Determination in consultation with the Title IX Coordinator as to whether the Respondent, by the preponderance of the evidence, violated any provision of the College's Sexual and Gender-Based Misconduct Policy. (*See Notice of Outcome section below*)

Determination Not to Proceed to Disciplinary Action

If the Hearing Officer, in consultation with the Title IX Coordinator, determines that the Respondent did not violate any provision of the College's Sexual and Gender-Based Misconduct Policy, the final outcome letter to both parties will inform them of this determination and the parties' right to appeal that decision.

Determination to Proceed to Disciplinary Action

If the Hearing Officer, in consultation with the Title IX Coordinator, determines that there is sufficient information to find, by a preponderance of the evidence, that the Respondent violated the College's Sexual and Gender-based Misconduct Policy, the final written report to both parties will inform them that the matter will be referred to the appropriate Administrative Officer to determine what disciplinary sanction, if any, may be appropriate.

Disciplinary Sanctions and Remedial Actions

The Administrative Officer is responsible for determining the appropriate disciplinary sanction.

Assignment of the Administrative Officer

For Complaints against **Students**, the Administrative Officer is typically the President or designee.

For Complaints against **Staff**, the Administrative Officer is typically the President or a designee.

For Complaints against **Faculty**, the Administrative Officer is typically the President or designee.

For a Complaint against a **Student Employee** who is acting solely within the scope of his/her college employment at the time of the incident the Administrative Officer is typically the President or designee. For complaints against a **Third Party**, the Administrative Officer is typically the President or designee.

The Administrative Officer must be a neutral and impartial decision-maker. Any Administrative Officer who has reason to believe s/he cannot make an objective decision regarding the appropriate sanction must recuse him/herself from the process.

Imposition of Disciplinary Sanctions

Both the Complainant and Respondent will be provided five (5) days from the date they are provided the Hearing Officer determination to submit a written impact statement for the Administrative Officer's consideration. The Administrative Officer, in reaching a final decision on an appropriate sanction, will review the Investigative Report, the Hearing Officer written determination on responsibility and impact statements, as well as consult with the Title IX Coordinator.

The Administrative Officer may impose any sanction deemed appropriate after a consideration of all of the relevant information.

For **Students**, the sanction may include warnings, behavioral contracts, community service, referrals to professional counseling, social probation, probation, suspension from the College, expulsion, and the withholding or revocation of a degree.

- o **Transcript Notations.** Students suspended or expelled for committing an act of sexual assault, domestic violence, dating violence, stalking or a "violent crime," as defined by the Clery Act,¹ will have a notation placed on their transcript as follows: "suspended after a finding of responsibility for a code of conduct violation" or "expelled after a finding of responsibility for a code of conduct violation." The College will consider requests to remove transcript notations. A transcript notation will not be removed prior to one year after conclusion of the suspension. Expulsion notations will not be removed in any case. Appeals seeking removal of a transcript notation should be addressed to the Title IX Coordinator. If an accused student withdraws from the College while charges are pending and declines to complete the disciplinary process the following notation will be placed on his/her transcript: "withdrew with conduct charges pending."

For **Staff and Employees (non-Faculty)**, the sanction may include any form of discipline or termination as set forth in the Employee Handbook, including disciplinary action such as warning, reprimand, withholding of a promotion or pay increase, reassignment, temporary suspension without pay or termination, as well as possible training and/or referral to counseling.

For **Faculty**, the sanction may include any form of discipline or termination as set forth in the Faculty Handbook, including disciplinary action such as warning, reprimand, withholding of a promotion or pay increase, reassignment, temporary suspension without pay or termination, as well as possible training and/or referral to counseling.

Both parties will be notified in writing, and in a simultaneous manner, of the College's determination on the charges.

Remedial Actions

In addition to the imposition of disciplinary sanctions, the Title IX Coordinator may take remedial action to remedy the hostile environment created by the Policy violation. These remedies may be imposed to protect the parties and the College community and are considered separate from, and in addition to, any disciplinary sanction or interim measure that may have been provided prior to the conclusion of the College's investigation.

Examples of Remedial Action for the Complainant/Respondent Following a Determination:

Remedies for the Complainant and Respondent, as determined by the Title IX Coordinator to be appropriate may include:

Providing an escort to ensure that the parties can move safely between classes and activities;

Ensuring the Complainant and Respondent do not share classes or extracurricular activities;

¹ "Violent crimes" defined by the Clery Act are murder, sexual offenses (forcible and non-forcible), robbery, aggravated assault, burglary, motor vehicle theft, manslaughter, and arson.

Moving the Respondent or Complainant (if the Complainant requests to be moved) to a different room and/or floor in the residence hall);

Providing comprehensive, holistic support services including medical, counseling and academic support services, such as tutoring.

Examples of Remedial Action for the Broader College Community:

Remedies for the broader College community, as determined by the Title IX Coordinator to be appropriate may include:

Training or retraining employees on the College's responsibilities to address allegations of Sexual and Gender-Based Misconduct and how to conduct Title IX investigations;

Developing materials on Sexual and Gender-Based Misconduct;

Conducting bystander intervention and Sexual and Gender-Based Misconduct prevention programs with students;

Issuing policy statements or taking other steps that clearly communicate that the College does not tolerate Sexual and Gender-Based Misconduct and will respond to all reported and known incidents;

Conducting a campus climate check to assess the effectiveness of efforts to ensure that the College is free from Sexual or Gender-Based Misconduct, and using that information to inform future proactive steps that the school will take;

Targeted training for a group of students if, for example, the Sexual or Gender-Based Misconduct created a hostile environment in a residence hall or on an athletic team.

Final Outcome Letters

Both parties will be notified concurrently, in writing, of the administrator's determination on the charges and proposed sanction. These outcome letters will contain findings of fact, the decision, and sanction, if any, as well as a rationale for the decision and sanction. The notice of outcome letters will also provide each party with their appeal options.

Appeals

The Complainant and the Respondent may appeal the determination of the final outcome letter. Appeals are decided by an Appeal Panel. There are three grounds for appeal:

The original conduct review meeting was inconsistent with the established procedures;

Evidence is now available that could not have been obtained at the time of the conduct review meeting; or

The sanction is excessive, inconsistent or insufficient with the nature of the offense.

The appeal shall consist of a plain, concise, and complete written statement outlining the grounds for the appeal. The appeal must be submitted within 5 days of the date of the final outcome letter to the Appeal Panel.

Upon receipt of the appeal, the Title IX Coordinator (or designee) will provide the other party notice of the appeal and the opportunity to respond in writing to the appeal. Any response to the appeal must be submitted within five (5) business days from receipt of notice of the appeal. In the event that both parties initially appeal the findings, each party will be provided notice and a copy of the other party's appeal.

The appeal will be conducted in an impartial manner by a panel (or designee). In any request for an appeal, the burden of proof lies with the party requesting the appeal, as the original determination and sanction are presumed to have been decided reasonably and appropriately. The appeal is not a new review of the underlying matter. (The Panel will review the written investigation report and all supporting documents and may consult with both parties independently.)

The panel can affirm the original determination of responsibility, alter the determination of responsibility, and/or alter the sanctions, depending on the circumstances. The matter can also be referred back for further investigation or consideration if appropriate.

The panel will communicate the results of the appeal to the Complainant and Respondent in writing generally within fifteen (15) business days from the date of the submission of all appeal documents by both parties. Appeal decisions are final.

QUESTIONS AND ANSWERS REGARDING INVESTIGATIONS

What Standard of Proof is used in allegations of Sexual or Gender-Based Misconduct?

The Respondent will not be presumed responsible. Instead, responsibility must be established by a preponderance of the evidence standard. "Preponderance" means more than half or "more likely than not." If, for example, the investigator concludes that the totality of the evidence weighs equally on both sides, the preponderance standard has not been met and the charges have not been proven.

Are Complainants and Respondents allowed to question each other?

Respondents and Complainants will **NOT** be allowed to personally question or cross-examine each other, but are instead encouraged to submit questions to the investigator who may then ask the other party on the student's behalf. Questions submitted by either party will be utilized at the investigator's discretion.

May the Respondent's Prior Conduct History be considered?

While previous conduct violations of the Respondent(s) are generally not admissible as information about the present alleged violations, the investigator and Administrative Officer may consider the Respondent's prior conduct history in the sanction stage if:

- The Respondent(s) was previously found to be responsible;
- The previous incident was substantially similar to the present allegation; and/or
- The information indicates a pattern of behavior by the Respondent(s).

What information must be provided to the Complainant in the notice of outcome?

Title IX requires both parties to be notified, in writing, about the outcome of the investigation and any appeal. This notification will be provided concurrently in writing. The College must inform the Complainant as to whether or not it found that the alleged conduct occurred, any individual remedies offered or provided to the Complainant or any sanctions imposed on the Respondent that directly relate to the Complainant, or other steps the College will take to eliminate the hostile environment, if the College finds one to exist, and prevent its recurrence.

What sanctions imposed on the Respondent may "directly relate" to the Complainant?

Sanctions that directly relate to the Complainant include, but are not limited to, requiring that the Respondent stay-away from the Complainant until both parties graduate (No-Contact Orders), suspensions, removal from residential housing or being moved to another residence hall, alteration of class schedule, or expulsion.

What type of Disciplinary Sanctions may be used?

In light of the facts and circumstances of each case, the sanctions, or combination of sanctions (with or without appropriate modifications) outlined above may be applied.

May a Complainant or Respondent appeal the College's Determination of Responsibility?

Yes. Complainants and Respondents may appeal the sanction. The appeal must be submitted within 5 days of the date of the final outcome letter to Office.

The three grounds for appeal are:

1. The original conduct review meeting was inconsistent with the established procedures;
2. Evidence is now available that could not have been obtained at the time of the conduct review meeting; or
3. The sanction is excessive, inconsistent or insufficient with the nature of the offense.

The appeal will be conducted in an impartial manner by the Panel. In any request for an appeal, the burden of proof lies with the party requesting the appeal, as the original determination and sanction are presumed to have been decided reasonably and appropriately. The appeal is not a new review of the underlying matter. The Panel shall consider the merits of an appeal only on the basis of the grounds for appeal. The Panel will review the written investigation report and all supporting documents and may consult with both parties independently.

OPTIONS FOR CONFIDENTIAL DISCLOSURE (NYS 129-b 6446)

“**CONFIDENTIALITY**” may be offered by an individual who is not required by law to report known incidents of sexual assault or other crimes to institution officials, in a manner consistent with state and federal law,

The Office of the President and the Title IX Coordinator have designated a sole confidential contact. He may be reached at:

Provost Charles Callahan IV cec4@plazacollege.edu 718-779-1430

“**PRIVACY**” may be offered by an individual when such individual is unable to offer confidentiality under the law but shall still not disclose information learned from a reporting individual or bystander to a crime or incident more than necessary to comply with this and other applicable laws, including informing appropriate institution officials. Even Plaza College offices and employees who cannot guarantee confidentiality will maintain your privacy to the greatest extent possible. The information you provide to a non-confidential resource will be relayed only as necessary for the Title IX Coordinator to investigate and/or seek a resolution.

SEXUAL ASSAULT, DOMESTIC VIOLENCE, AND STALKING PREVENTION (NYS 129-a 6432)

Sexual Assault

Sexual Assault and Rape Information

Sexual assault involves intercourse, unwelcome physical contact, or any other sexual activity with a person who does not give free and full consent. Anyone can be raped, regardless of age, sex, appearance, or way of dressing. No matter what the circumstances, if you have been raped, a vicious crime has been committed against you. You are not to blame!

What to Do If You Have Been Sexually Assaulted or Raped

- Go to a safe place.
- Report the assault immediately to the school administration and/or the police at the above numbers.
- Sexual contact can transmit Sexually Transmitted Infections (STI) and may result in pregnancy. Contact the resources above for testing for STIs and the availability of emergency contraception.
- Within 96 hours of an assault, you can get a Sexual Assault Forensic Examination (commonly referred to as a rape kit) at a hospital. While there should be no charge for a rape kit, there may be a charge for medical or counseling services and, in some cases, insurance may be billed for services. You are encouraged to let hospital personnel know if you do not want your insurance policyholder to be notified about your access to these services. The New York State Office of Victim Services may be able to assist in compensating victims/survivors for health care and counseling services, including emergency funds. More information may be found here: <https://ovs.ny.gov/help-crime-victims>
- To best preserve evidence, victims/survivors should avoid showering, washing, changing clothes, combing hair, drinking, eating, or doing anything to alter physical appearance until after a physical exam has been completed.
- Authorities recommend that you do not change your clothes, wash, shower, brush your teeth, use mouthwash, comb your hair, or urinate. Doing so may eliminate important evidence which could lead to the arrest of your attacker.
- Authorities recommend that you go to a hospital emergency room. Medical evidence is collected there. **NOTE:** You are **not** obligated to press charges; however, this evidence is important if you later decide to prosecute. Bring a full change of clothing as what you were wearing at the time of the attack may be kept as evidence.
- Make sure to seek counseling. Rape is a traumatic experience, and a trained person can help you deal with your feelings.

Domestic Violence

What to Do If You Are a Victim of Domestic Violence

If you are a victim of domestic violence, inform the police and the Dean of Student Services immediately. If you move to a shelter, inform Student Services not to release any information without your written consent. If you receive an order of protection, please bring a copy of the order and if possible a photo that we can distribute to campus safety officials. Contact the numbers above to link you to services that will help. If the person who is abusing you is a member of the Plaza College community, that person will be sanctioned under the Code of Conduct, which includes the possibility of expulsion.

Stalking

What to Do If You Are Being Stalked

If someone repeatedly acts in a manner that makes you fear for your safety, property, mental health, or employment, you are being stalked (see Appendix C for the text of New York law regarding stalking). You should report stalking to the police and Student Services. If you receive an order of protection, please bring a copy of the order and if possible a photo that we can distribute to campus safety officials. Contact the numbers above to link you to services that will help. If the person who is stalking you is a member of the Plaza College community, that person will be sanctioned under the Code of Conduct, which includes the possibility of expulsion.

JEANNE CLERY ACT

Timely Warnings

Plaza College has created a number of channels to provide information to the community in the event of an emergency. All members of the College community are automatically enrolled in EMS Text Messaging. The College can also choose to send emails about emergency conditions. Members of the campus community may also call the main number (718) 779-1430 for recorded announcements. Finally, the College has a speaker system, accessible to administrators, to speak to the entire on campus community in the event of an emergency. The Office of the President is responsible for activating the timely warning system. The system is tested at the beginning of the winter semester via text message.

- (h) At such time as the complainant first appears before the court on a complaint or information, the court shall advise the complainant that the complainant may: continue with the proceeding in criminal court; or have the allegations contained therein heard in a family court proceeding; or proceed concurrently in both criminal and family court. 5. Filing and enforcement of out-of-state orders of protection. A valid order of protection or temporary order of protection issued by a court of competent jurisdiction in another state, territorial or tribal jurisdiction shall be accorded full faith and credit and enforced as if it were issued by a court within the state for as long as the order remains in effect in the issuing jurisdiction in accordance with sections two thousand two hundred sixty-five and two thousand two hundred sixty-six of title eighteen of the United States Code.

(b) Notwithstanding the provisions of article fifty-four of the civil practice law and rules, an order of protection or temporary order of protection issued by a court of competent jurisdiction in another state, territorial or tribal jurisdiction, accompanied by a sworn affidavit that upon information and belief such order is in effect as written and has not been vacated or modified, may be filed without fee with the clerk of the court, who shall transmit information regarding such order to the statewide registry of orders of protection and warrants established pursuant to section two hundred twenty-one-a of the executive law; provided, however, that such filing and registry entry shall not be required for enforcement of the order.

If you or your children are in need of medical treatment, you have the right to request that the officer assist you in obtaining such medical treatment. You may request a copy of any incident reports at no cost from the law enforcement agency. You may ask the district attorney or a law enforcement officer to file a criminal complaint. You also have the right to file a petition in the family court when a family offense has been committed against you. You have the right to have your petition and request for an order of protection filed on the same day you appear in court, and such request must be heard that same day or the next day court is in session. Either court may issue an order of protection from conduct constituting a family offense which could include, among other provisions, an order for the respondent or defendant to stay away from you and your children. The family

court may also order the payment of temporary child support and award temporary custody of your children. If the family court is not in session, you may seek immediate assistance from the criminal court in obtaining an order of protection.

The forms you need to obtain an order of protection are available from the family court and the local criminal court (the addresses and telephone numbers shall be listed). The resources available in this community for information relating to domestic violence, treatment of injuries, and places of safety and shelters can be accessed by calling the following 800 numbers (the statewide English and Spanish language 800 numbers shall be listed and space shall be provided for local domestic violence hotline telephone numbers).
